GOOD CLINICAL PRACTICE AND MEDICAL ETHICS

Guest Speaker

Dr Roli Mathur

Head Bioethics Unit ICMR, Bangalore

Dr Roli Mathur is a distinguished academician and researcher, recognized as a university topper and gold medalist during her graduation and post-graduation. She received the Young Scientist Award for her doctoral research in Molecular Genetics at AIIMS, New Delhi. A WHO fellow in “Bioethics and Ethics Committee Administration,” she is trained as an international surveyor of ethics committees. Dr. Mathur serves as the Member Secretary of ICMR-Central Ethics Committee on Human Research, India’s National Ethics Committee. She has contributed to numerous WHO expert groups, including Covid-19 Ethics, Artificial Intelligence in Health, and Clinical Research. As an Executive Committee Member of CIOMS, she co-developed ethics guidance for research in low-resource settings. Dr. Mathur has spearheaded the development of pivotal national guidelines, including the ICMR Ethical Guidelines (2017), RIPE Policy (2019), and DNAR Guidance (2020). Her extensive work includes building capacity for research ethics, conducting multicentric national research studies, and authoring a reference book, Biomedical Ethics Perspectives in the Indian Context (2022). She continues to shape research ethics policies and empower the research community in India.
