Report

The Department of Community Medicine and Master of Hospital Administration (MHA) conducted a session on gender sensitization for its students. The session, led by Dr. Ekta Rao (Assistant Professor) was focused on addressing the issues pertaining to gender disparity, while also sensitizing students to the concept of gender equity and equality. The fundamental distinction between sex and gender and its societal repercussions were examined. Significant consideration was given to promote gender-sensitive environments through deconstruction of gender stereotypes. The students were presented with an array of case studies in order to analyze the existing disparities in gender and propose strategies for fostering inclusivity.

Report

The Himalayan School of Yoga Sciences arranged a gender sensitization session for its pupils. Under Dr. Somlata's Jha (Assistant Professor and In-charge) direction, the session's goal was to acquaint pupils with the ideas of gender equity and equality. It was explained how sex and gender differed, highlighting the biological basis of sex and the cultural constructions of gender. The need of gender-neutral behavior in creating gender-responsive settings was discussed, along with the need to demolish gender stereotypes. The main emphasis was on encouraging empathy in order to create a courteous and inclusive atmosphere. In addition, a variety of case studies were given to the students, which assisted them in mapping the gender issues in the classroom and their surroundings.

Report

Students of Himalayan Institute of Medical Sciences (Batch 2020) attended a session on gender sensitization. The goal of the session which was led by Dr. Surabhi Mishra (Assistant Professor, Community Medicine) was to raise students' awareness of gender equity and equality while addressing topics related to gender imbalance. The speaker spoke about the basic differences between sex and gender and how those differences affect society. The promotion of gender-sensitive environments through the deconstruction of gender stereotypes was given careful thought. A variety of case studies were given to the students so they could assess the gender gaps that currently exist and suggest tactics for promoting inclusivity.

Report

The session on gender sensitization was conducted by the Department of Human Resources at SRHU as a component of the induction program for newly recruited staff members. The primary aim of the gender sensitization session was to raise awareness on gender-based discrimination, prejudices, and stereotypes. The session, led by Mrs. Shashi Dhyani (Senior HR Executive), commenced with a discussion on fundamental concepts, including gender, gender equality, and gender equity. The speaker introduced the rules and guidelines of the University regarding gender inclusivity, anti-discrimination, and the reporting systems for addressing gender-related matters. Employees were motivated to challenge preconceptions and adopt a more inclusive mindset through engaging in group conversations and analyzing real-life case studies.

Dehradun (Uttarakhand)

Report

As a fundamental component of the onboarding procedure for recently recruited employees, the gender sensitization session was organized by the Department of Human Resources at SRHU. The principal objectives of the session was to enhance consciousness and comprehension regarding gender-based biases, prejudices, and stereotyping. The session was headed over by Mrs. Shashi Dhyani, a senior HR executive, aimed to review fundamental concepts including gender, gender equity, & gender equality, and further elaborating on the reporting systems, gender inclusivity initiatives, and anti-discrimination policies of the University with regard to matters concerning gender. The primary objective of the session was to evaluate biases and stereotypes prevalent in the professional setting.

Report on Nukkad Natak on Domestic Violence and Laws for its Prevention

Date: May 12, 2023

Activities: A nukkad natak (street play) was organized by the students of the Himalayan School of Bio-Sciences, SRHU on the theme of domestic violence and laws for its prevention. The street play effectively conveyed the message of domestic violence, using realistic scenarios, emotions, and dialogues to capture the audience's attention and empathy. It also provided information on preventing and dealing with domestic violence, encouraging the audience to support victims and survivors. The attending students and faculty members appreciated the efforts of the participating students.

Place of the event: HSBS, SRHU Campus

Participants: Students of HSBS, SRHU

No. of participants: 48

12 Students of the Himalayan School of Bio-Sciences put up a street play on Domestic Violence and laws for its prevention

Report

The SRHU Department of Human Resources organized the gender sensitization session as an essential element of the induction process for newly hired employees. The primary aim of the session was to foster awareness and understanding concerning biases, prejudices, and stereotyping that are rooted in gender. Mrs. Shashi Dhyani, a senior HR executive, headed over the session, which aimed to review fundamental concepts such as gender, gender equity, and gender equality, as well as provide additional information on the University's gender-related reporting systems, anti-discrimination policies, and gender inclusivity initiatives. The principal aim of the session was to assess the prevalence of biases and stereotypes that are inherent in the professional environment.

Report on Menstrual Hygiene Day

Date: May 28, 2023

Activities: In a significant step toward promoting menstrual hygiene and breaking the silence surrounding periods, the 'School Menstrual Hygiene Management Summit' was a significant event. It was held on May 28 - 2023 at Swami Rama Himalayan University (SRHU), in collaboration with Azim Premji Foundation and the Uttarakhand State Education Department. The summit brought together educators, policymakers, health professionals, and students from across the state to address the critical issue of menstrual hygiene in schools. Many experts shared their experiences and views on menstrual hygiene management.

Place of the event: SRHU

Participants: Students and faculty, Obstetrics and Gynecology Peadiatrics, HIMS, SRHU

No. of participants:-52

Dr. Vijendra Chauhan, Vice Chancellor, SRHU, Addressing the gathering about the fact that misconceptions and myths are more than the number of problems in the menstrual cycle
