## Teaching and Training

- Access to 1200 bed teaching hospital, NABL accredited labs, wards and sophisticated critical care units etc. provide exposure to students on a wide spectrum of patients.
- Interactive and integrative learning. Most concurrent teaching and learning aids are engaged. Further constant exposure to frontier areas of Paramedical science is ensured.
- Access to Himalayan Hospital, the in-campus super-specialty hospital is a huge advantage. Exposure to field postings in the community & patient interaction add to rehabilitation training.

## **MPT** in Community Based Rehabilitation

# FACULTY

We have a highly competent team of faculty with a combination of both clinical & academia, who not only provide theoretical knowledge but also empower students with applied skills such as field postings, patient interactions, training in simulated environments to deal with treatment procedures and exposure critical to patient management and rehabilitation.
