10. Kindly write suggestions, if any, based on your understanding of industry expectations from employees. Please mention how the curriculum can be improvised to help students perform better in industry, based on the expectations from their employers. These suggestions will be helpful to us for strengthening our teaching practices for current students. *

- The course objectives are well defined and the modules are logically structured
- Equal emphasis upon fundamental and latest developments
- Program includes both theoretical and practical aspects
- Program incorporates both technical and communication skills
- It imparts skills and knowledge essential for the job market
- More emphasis should be put upon training and placement support in curriculum
