Kindly write suggestions, if any, based on your understanding & experience regarding changes that can be incorporated in the curriculum for improvising it. These Suggestions will be helpful to us for strengthening our teaching practices for current students. \*

1. Clinical postings in different departments for better handling of patients at rural health centres.
2. Postings at IDSP, NIHF, etc for learning management skills and health programmes.
3. Research cell/Epidemiology unit to be established in the department for enhancing research skills and knowledge.
4. Mandatory certificate courses held by premier institutes for building rapport and encouraging exchange program study.
