7. Kindly write suggestions, if any, based on your understanding of industry expectations from employees. Please mention how the curriculum can be improvised to help students perform better in industry, based on the expectations from their employers. These suggestions will be helpful to us for strengthening our teaching practices for current students. *

It's very important for all student's & teaching staff

Thanks for sparing a valuable time. Your inputs and suggestions will help us improvise curriculum.

Thank for survey
