

## *Sustainable Development Goal 9*

### *Industry, Innovation and Infrastructure*

*Sustainable Development Goal 9 (SDG 9) focuses on building resilient infrastructure, promoting sustainable industrialization, and fostering innovation to achieve equitable and sustainable growth. Modern infrastructure and industry are essential for addressing pressing challenges, such as bridging economic inequalities, reducing environmental impact, and ensuring inclusive access to resources. SDG 9 recognizes that innovation and technology play a pivotal role in driving productivity, creating jobs, and advancing sustainable practices. At Swami Rama Himalayan University (SRHU), this goal is deeply integrated into its vision and activities. The University is committed to fostering innovation by nurturing entrepreneurial talent, encouraging interdisciplinary research, and bridging academia with industry to create impactful solutions. By supporting startups, advancing sustainable industrial practices, and enhancing infrastructure aligned with modern technological demands, SRHU empowers communities to thrive in an interconnected and sustainable economy. Through its initiatives, SRHU also emphasizes creating a positive ripple effect across other development goals, such as improving health outcomes, addressing energy needs, and mitigating climate change. The university's focus on innovation, industry, and infrastructure underscores its commitment to creating a future where technology and progress serve as tools for inclusive development and environmental sustainability.*

## *Research and Innovation*

To promote entrepreneurship among faculty members and students, the University actively encourages participation in entrepreneurial activities, in alignment with best practices from other esteemed institutions. The Himalayan Centre for Innovation and Entrepreneurship (HCIE) supports these initiatives by providing incubation resources to both faculty and students. The objective is to encourage faculty and researchers to engage in commercial ventures related to their expertise, adding an entrepreneurial dimension to their existing roles. The University particularly fosters businesses that arise from its R&D activities, in accordance with the Entrepreneurship Policy and approval from relevant authorities. In addition to supporting internal stakeholders, the University aims to be a driving force in cultivating an entrepreneurial culture within its community and the surrounding region. HCIE extends its facilities to external entrepreneurs, contributing to regional development. The center offers co-working spaces, research labs, computer workstations, fabrication labs, and mentorship from industry experts, providing comprehensive support for emerging businesses. To embed innovation and startup culture into the education system, the University has developed a policy document in line with the National Student and Faculty Startup policy, which will evolve over time. This document outlines the University's commitment to fostering innovation and entrepreneurship on campus, adopting best practices to encourage and facilitate these efforts. HCIE supports startups in various fields, including agriculture, health sciences, medical technologies, social entrepreneurship, and cutting-edge technologies. The center has already provided incubation for several startups, further solidifying its role as a catalyst for entrepreneurship and innovation.

### *Facilities at HCIE:*

- **Co-working Space**
- **Makers Space**
- **Conference Room**
- **Mentorship**
- **Marketing**
- **Training**

## INCUBATED STARTUPS AT HCIE

### CANFINIS THERAPEUTICS PVT LTD

Canfinis Therapeutics Pvt Ltd is an Indian pioneer in oncology innovations, established in 2021 to create cancer treatments using customized cell therapies. Canfinis is developing a novel ex vivo Tumour microenvironment platform to test the efficacy of novel molecules and SOCs in personalized and physiological settings.

### HIMFLA PVT LTD

Himfla Pvt Ltd is a premium brand in India that aspires to provide unrefined, genuine Himalayan salt. According to Himfla, their salt product is all-natural and has no artificial ingredients. Additionally, Himfla is strengthening the hill economy by generating employment and sourcing the ingredients for their product line through self-help groups, and farmers from the hills of Uttarakhand.

### ULO Labs Pvt Ltd

ULO Labs develops plant-based nutraceuticals for human health and wellness. The products at Ulo Labs are designed based on the published scientific literature and unique formulations that add to human health and wellness. Ulo Lab is committed to delivering high-quality & efficacious products ensuring a healthier lifestyle. **Product Line of ULO Labs:** Curcusol, Gluconot, Ketocan

## INCUBATED PRE-STARTUPS

### MINDURA YOGWELL

Mindura Yogwell is a promising wellness and yoga pre-startup dedicated to promoting holistic health through traditional yoga practices. The company aims to provide students, faculty, staff, and the wider community of SRHU access to professionally delivered yoga, wellness, and mindfulness programs that align with SRHU's focus on holistic development and well-being. Mindura Yogwell blends ancient techniques with modern insights to offer diverse classes and workshops for all experience levels, focusing on mental clarity and physical vitality. Their skilled instructors foster a supportive atmosphere for participants to deepen their practice, addressing needs like stress reduction and flexibility enhancement. In addition to regular classes, Mindura Yogwell organizes retreats and special events that promote self-discovery and wellness. By prioritizing well-being, they not only enhance individual health but also nurture a mindful community at SRHU, inspiring positive change and empowering individuals to live healthier, more fulfilling lives.

## GRADUATED STARTUPS

### MEQ ACADEMY PVT LTD

MEQ Academy is a distinguished firm specializing in corporate training and IT software services. Renowned for its commitment to excellence, the academy empowers professionals with cutting-edge skills through tailored training programs designed to meet the dynamic demands of the corporate world. Additionally, MEQ Academy delivers innovative IT solutions, helping businesses streamline operations and achieve technological advancement.

### JASARENA INDIA PVT LTD

JASARENA INDIA PVT LTD

JASARENA India Pvt Ltd is a versatile company offering a comprehensive suite of reliable services tailored to meet diverse business needs. Its expertise spans marketing, promotional activities, event management, co-branding, and bulk printing services, ensuring seamless execution and impactful results. Known for its customer-centric approach and innovative solutions, JASARENA India Pvt Ltd helps businesses enhance their brand presence and achieve strategic goals.

### HIMFLA PVT LTD

Himfla is a premium brand in India that aspires to provide unrefined, genuine Himalayan salt. According to Himfla, their salt product is all-natural and has no artificial ingredients. Additionally, Himfla is strengthening the hill economy by generating employment and sourcing the ingredients for their product line through self-help groups, and farmers from the hills of Uttarakhand.

## ACTIVITIES BY HCIE

### ENTREPRENEURIAL AWARENESS SESSION

The awareness session on Entrepreneurship Opportunities in Management & Technology was duly conducted by Dr. Amjad Husain, Director, HCIE on 10 October 2023 at Aadi Kailash Auditorium for students of **Himalayan School of Science & Technology (HSST) & Himalayan School of Management Sciences (HSMS)**. The session aimed to inspire and educate students about the opportunities in management and technology. Dr. Amjad Husain, known for his engaging style, discussed key trends and innovative business models that young entrepreneurs can utilize. He stressed the importance of critical skills such as creativity and adaptability in a changing market. Interactive discussions allowed students to engage actively, enhancing their understanding and enthusiasm for entrepreneurship.

## ENTREPRENEURIAL AWARENESS SESSION

The awareness session on Bio Innovations & Entrepreneurship was duly conducted by Dr. Amjad Husain, Director, HCIE on 20 October 2023 at the **Himalayan School of Biosciences (HSBS)**. The session on bio-entrepreneurship drew a diverse audience of students and faculty interested in biotechnology. Dr. Husain's engaging presentation emphasized current trends and the importance of innovation in the field. The interactive Q&A provided valuable insights into launching bio-based startups, helping attendees understand the challenges and opportunities in entrepreneurship. Participants left the session with a deeper appreciation for the role of collaboration in driving success in the biotechnology sector. Overall, it was an inspiring event that encouraged creative thinking and entrepreneurial spirit among future innovators.

## ENTREPRENEURIAL AWARENESS SESSION

Dr. Amjad Husain, Director, HCIE, duly conducted the awareness session on entrepreneurship opportunities in nursing and healthcare on 1 February 2024 at the **Himalayan College of Nursing (HCN)**. The session aimed to enlighten students and professionals about the vast possibilities within the healthcare sector. With his extensive experience, Dr. Husain shared valuable insights on how to harness innovation and entrepreneurial skills to address challenges in nursing and healthcare. Attendees were encouraged to explore new pathways and think creatively about solutions that can improve patient care and operational efficiency. The interactive session also included case studies and success stories that inspired participants to envision a future where they can contribute significantly to the industry.

## ENTREPRENEURIAL AWARENESS SESSION

The awareness session on Entrepreneurship in Yoga & Wellness: Success Stories & Path Forward was duly conducted by Dr. Amjad Husain, Director, HCIE on 7 February 2024 at the **Himalayan School of Yoga Sciences (HSYS)**. The session inspired participants by showcasing successful ventures in the yoga and wellness industry. Engaging discussions and presentations highlighted the blend of traditional practices with modern business strategies. Dr. Husain stressed the need to combine ancient wisdom with contemporary entrepreneurship to create impactful enterprises. Through case studies, he demonstrated how passion for wellness can lead to thriving businesses that benefit communities. The event concluded with a vibrant Q&A, fostering a sense of community and providing practical tools for attendees to pursue their own journeys in the wellness sector.

## FISH TANK – ENTREPRENEURSHIP IDEA COMPETITION

The Fish Tank event, organized by HSST on May 17, 2024, was a prominent feature of the 'YUVOTSAV' festival, drawing participation from nine teams representing various colleges and universities. Each team adeptly presented their innovative business ideas, reflecting a high level of creativity and entrepreneurial spirit. The standout project, 'YOGALOGY,' which was incubated by HCIE, was awarded the first prize of ₹30,000 for its compelling business concept. This initiative has since transitioned into a full-fledged startup, now known as Mindura Yogwell, highlighting the event's role in fostering entrepreneurial development and innovation among students.

## ENTREPRENEURIAL ARTWORK

The Himalayan Centre for Innovation & Entrepreneurship (HCIE) has organized an Entrepreneurial Artwork Competition for students of the M.Sc. – II semesters (Microbiology & Biotechnology) on 'Bio-innovations & Entrepreneurship' on 21 June 2024. The entrepreneurial artwork session at HCIE for biosciences students engaged participants in creative expression, allowing them to visualize scientific concepts through various artistic mediums. This interactive workshop encouraged innovative thinking and collaboration, fostering an entrepreneurial mindset in the biosciences field.

### *Research Projects on Industrial and Technological Innovation*

SRHU cultivates a vibrant research ecosystem focused on industrial and technological innovation to tackle real-world challenges. By encouraging interdisciplinary collaboration and utilizing advanced methodologies, the university empowers faculty to undertake transformative research. Seed funding for researchers promotes the development of innovative technologies, process improvements, and sustainable solutions, aligning with SRHU's mission to make impactful contributions to industry and society.

<i>The Institution provides seed money to its teachers for research (2023-24)</i>					
S. No.	Name of the project	Duration of the project	Name(s) of the teacher(s) working in the project receiving seed money	The amount of seed money provided (INR in lakhs)	Year of receiving the seed money
1.	Formulation And Evaluation Of Herbal Hydro Gel For Hair Growth	03 Months	Ujjwal Nautiyal, Mukesh Bijalwan Charanjeet Kaur, Abhishek Chandola	0.15	Till December 2023
2.	A review on the methods used to produce biochar, stability and potential application in sustainability	04 Months	Vishal Rajput, Isha Saini, Simran Parmar, Vedansh Pundir, Sanjay Gupta	0.15	Till December 2023
3.	Efficacy Of Herbal Drugs and Cost-Effectiveness	03 Months	Ujjwal Nautiyal, Rahul Pandey, Abhishek Chandola	0.15	Till December 2023
4.	Enhancing Diagnosis and Management of Conjunctivitis: Challenges, Innovations, and Evidence-Based Strategies	04 Months	Arvind Singh Farswan, Mamta Farswan Singh, Archana Dhsamana, Ganesh Kumar, Vivekanand Bahuguna, Vikas Singh Jadon	0.3	Till December 2023
5.	Evaluation of polysaccharides, proteins, total phenolic content and antioxidant property of <i>Hypsizygus ulmarius</i> cultivated on varying substrate	06 Months	Rashmi Chauhan, Archana Dhasmana, Indra Rautela,	0.3	Till December 2023

6.	Fishers 4.0: Revolutionizing Contemporary Fisheries Management through Industry 4.0 Integration	03 Months	Dr Pooja Joshi, Dr Ashutosh Bhatt	0.3	Till December 2023
7.	Forehead Pulse Oximeter Headband	6 Months	Dr Talha Rehman, Dr Girish Gupta	0.06	Till December 2023
8.	Habenaria intermedia D.Don (Riddhi)-History and Important Medicinal Properties	03 Months	Keerthiraj M, Praneetha Vanapalli, Mohammad Arif Hussain, Shivika Sharma, Vikas Sharma, Geeta bhandari, Nupur Joshi, Archana Dhasmana <sup>2</sup> , Vikash S Jadon <sup>2*</sup>	0.15	Till December 2023
9.	<i>In Silico</i> Mining Of Simple Sequence Repeats (Ssr) In Genome Sequences Of Tartary Buckwheat ( <i>Fagopyrum Tataricum</i> )	03 Months	Garima Kishore, Anjali Uniyal, Geeta Bhandari, and Sanjay Gupta	0.3	Till December 2023
10.	Intravaginal Slab Phantom With Air-Pockets	06 Months	Dr. Jyoti Bisht, Dr. Satish Uniyal, Dr. Sunil Saini, Dr.Mushtaq Ahmed,Dr. Vipul Nautiyal, Mr. Ravi Kant,Dr. Meenu Gupta	0.3	Till December 2023
11.	Mahameda (Polygonatum cirrhifolium (Wall) Royle): An Important Astavarga Plant from Indian system of medicines	04 Months	Aditi Rawat, Nidhi Singh, Puja Pal, Sakshi Chavan, Samiksha Admane, Unnati Sharma, Vikas Sharma, Geeta Bhandari, Archana Dhasmana, Vikash S Jadon	0.15	Till December 2023
12.	Micropropagation and antimicrobial activity of <i>Callicarpa macrophylla</i> (Priyangu) against medically important pathogens	06 Months	Saurabh Gangola, Samiksha Joshi, Neha Kandpal, Geeta Bhandari, Sanjay Gupta, Vikash Singh Jadon, Vikas Sharma	0.15	Till December 2023

13.	Phytochemical Analysis and Evaluation of Antioxidant Activity in Fagopyrum esculentum	04 Months	Vikash S Jadon, Archana Dhasmana, Nupur Joshi, Geeta Bhandari, Ayushi Santhama, Vikas Sharma, Sanjay Gupta, Deepanshu Rana	0.15	Till December 2023
14.	Quantitative determination and source variation of Rutin in Fagopyrum tataricum	04 Months	Vikash S. Jadon, Sandeep Kumar, Barkha Kamal, Geeta Bhandari, Nupur Joshi, Archana Dhasmana and Sanjay Gupta	0.15	Till December 2023
15.	Toilet Footrest Lifting Assembly	6 Months	Dr. Vijendra Devisingh Chauhan, Dr. Chandra Shekhar Nautiyal	0.06	Till December 2023

## *Collaborations with Industry*

Swami Rama Himalayan University (SRHU) is dedicated to transforming research and development (R&D) initiatives across its colleges by fostering a culture of innovation, technological advancement, and collaborative engagement. With a vision to establish Centers of Excellence, research parks, innovation hubs, and technology business clusters, SRHU aims to elevate the science, technology, and innovation ecosystem in the region. The university's commitment to creating impactful partnerships has led to collaborations with esteemed academic institutions and industry leaders, both nationally and internationally, including: Indian Orthopaedic Association, Stryker India Private Limited & Stryker Global Technology Center Private Limited, Zimmer India Private Limited, Medtronic India Private Limited, Johnson & Johnson India, Smith and Nephew Professional Education, Mumbai, India, Asian Society of Mastology, Sarcoma Education Foundation. These partnerships foster a multidisciplinary approach to innovation, enhancing academic rigor, technological advancement, and healthcare solutions. By integrating institutional research efforts with industry expertise, SRHU is actively shaping the future of healthcare and technological innovation while contributing significantly to the state's development goals.

Moreover the University also has MOUs with prestigious Academic institutions like SGPGI-Lucknow, IIT-Roorkee, AIIMS Rishikesh, IBM, OM Logistics, IBC(Denmark) etc. for providing industry-oriented training to bridge student's academic aspirations and industry's requirements.

### Student Internships

Internships offer students valuable hands-on experience and practical insights, preparing them for future career challenges. Healthcare program students gain real-world exposure at the on-campus Himalayan Hospital, while students from other disciplines engage in industry-oriented training. Engineering students have interned with leading organizations such as TCS iON, THDC, BHEL, Diginique Tech Labs, and IBM, working on cutting-edge projects in app development, machine learning, artificial intelligence, cloud computing, and web development. Biomedical Engineering students receive specialized practical training within the Himalayan Hospital environment. Across various fields, students benefit from experiential learning, live projects, and practical training, enhancing their professional skills and industry adaptability.

### *Industry Talks and Guest Lectures*

Guest lectures by industry experts at Swami Rama Himalayan University (SRHU) play a crucial role in bridging the gap between academic learning and practical application. These sessions offer students and faculty valuable insights into emerging industry trends, challenges, and innovations. By linking classroom knowledge with real-world scenarios, the lectures encourage critical thinking, spark innovation, and equip students to meet industry demands with confidence. They also provide networking opportunities, allowing participants to engage directly with professionals, gain career guidance, and explore collaborative research possibilities. These initiatives support SRHU's commitment to nurturing industry-ready graduates and fostering a culture of lifelong learning and innovation.

List of Guest Lectures (2023-24)							
S. No.	Name of the academic Unit	Name of the guest speaker	Department	Organized by	Place	Date	Title of the lecture
1	HIMS	Dr. Ruchi Kothari, Associate Professor and Officer In-Charge, Sports Physiology Lab, MGIMS, Sevagram, Wardha	Department of Medical Education	Himalayan Institute of Medical Sciences	Auditorium, Himalayan Institute of Medical Sciences, SRHU	16-May-2023	Sports Physiology and Yoga through the lens of medical research: Crux to Confluence
2	HIMS	Dr. (Group Captain). Narendra Sharma, MBBS (AFMC Pune), MD Anaesthesiology(A FMC Pune) DNB(Medicine), MRCP(Medicine) UK, MRCA(UK), MRCGP(UK ) DFFP(Manchester) , Formerly Senior Advisor(R & R Hospital, Delhi)	Department of Medical Education	Himalayan Institute of Medical Sciences	Auditorium, Himalayan Institute of Medical Sciences, SRHU	10-May-2023	Professional Ethics
3	HIMS	Dr Girdhar Gyani, Director General, Association of Healthcare Providers (India), 404, Ashoka Estate, Barakhamba Road, New Delhi, Delhi 110001	Department of Medical Education	Himalayan Institute of Medical Sciences	Auditorium, Himalayan Institute of Medical Sciences, SRHU	06-Jul-2023	Developing Culture for Quality & Patient safety
4	HIMS	Lt Gen Daljit	Department of	Himalayan	Auditorium,	25-Sep-	How do we

		Singh, AVSM, VSM, PHS, DGAFMS and Sr. Col Comdt AMC	Medical Education	Institute of Medical Sciences	Himalayan Institute of Medical Sciences, SRHU	2023	inspire our students for better learning? Lessons I learnt along my way
5	HIMS	Dr. Susan Niemeyer, MD, MPH, Professor emeritus, University of Colorado, School of Medicine, US	Department of Medical Education	Himalayan Institute of Medical Sciences	Auditorium, Himalayan Institute of Medical Sciences, SRHU	05-Dec-2023	Unveiling the success story of Global initiatives
6	HIMS	Rachael Mullan from united Kingdom University of Cambridge	ENT	ENT	United Kingdom University of Cambridge	11-Jul-2023	Role of diet in Head & Neck Oncology
7	HIMS	Mr. Shailesh Chaya	ENT	ENT	Mumbai	27-Sep-2023	CO2 Laser-Principles and it's indication in ENT safety measures
8	HIMS	Dr. Rohit Gupta, Additional Professor, Dept of Gastroenterology, AIIMS, Rishikesh Dr. Nidhi Kaely, Associate Professor, Dept of Emergency Medicine, AIIMS, Rishikesh	General Medicine	Department of General Medicine	SRHU	04-Nov-2023	Updates in Hepatology
9	HIMS	Dr. Mohammad Asim Siddiqui, Senior Consultant Endocrinologist, Indraprastha Apollo, New Delhi Dr. Ayesha Ahmad, Assistant Professor Dept of Paediatrics and Incharge, Division of Paediatric Endocrinology, JN Medical College, AMU Aligarh	General Medicine	Department of General Medicine	SRHU	18-Dec-2023	Fundamentals of Endocrinology
10	HIMS	Dr Swarn Kaur	Pathology	Department of Pathology, HIMS	Department of Pathology, HIMS	19-Jun-2023	Grossing of Heart
11	HIMS	Dr Sanjeev Kishore	Pathology	Department of Pathology, HIMS	Department of Pathology, HIMS	20-Jun-2023	Evolution of Cytology - as a diagnostic tool
12	HIMS	Dr Jayiesh Deshmukh	Pathology	Department of Pathology, HIMS	Department of Pathology, HIMS	17-Oct-2023	Novel Diagnostics in Oncology
13	HIMS	Dr Sachin	Pathology	Department of Pathology, HIMS	Department of Pathology, HIMS	16-Nov-2023	Onco-Pathology

14	HIMS	Dr Charanjeet Ahluwalia	Pathology	Department of Pathology, HIMS	Department of Pathology, HIMS	16-Nov-2023	Onco-Pathology
15	HIMS	Dr Piyush Gupta Dean UCMS Delhi	Pediatrics	Dept. of Pediatrics	Dept. of Pediatrics	19-Apr-2023	Blunder disorder
16	HIMS	Dr Prashant Verma, AIIMS Rishikesh & Dr Inusha parigravi, PGIMER, Chandigarh	Pediatrics	Dept. of Pediatrics	Dept. of Pediatrics	15-Sep-2023	Genetic testing for commons rare disorder
17	HIMS	Dr Susan Niemeyer, MD, MPH	Pediatrics	Dept. of Pediatrics	Dept. of Pediatrics	12-Jun-2023	Unveiling the success story of global initiatives
18	HIMS	Dr. Ruchi Kothari	Physiology	Himalayan Institute of Medical Sciences, Swami Rama Himalayan University, Dehradun	Swami Rama Himalayan University, Dehradun	16-May-2023	Sports Physiology and Yoga through the lens of medical research: Crux to Confluence
19	HIMS	Dr. Manish Raturi	Department of Immunohematology and Blood Transfusion	General Surgery	HIMS, SRHU, Dehradun	23-Dec-23	"Blood Transfusion Services at Himalayan Hospital including Massive Blood Transfusion Protocol"

S. No.	Name of Academic Unit	Name of Workshop-Seminar	Date
1.	Himalayan Institute of Medical Sciences	Midterm workshop 2023	23-Jul-2023
2.	Himalayan Institute of Medical Sciences	Cadaveric workshop on Orthopaedic oncology	01-02-Jul-2023

3.	Himalayan Institute of Medical Sciences	Total Knee Arthroplasty	16-Jul-2023
4.	Himalayan Institute of Medical Sciences	Shaping the future of breast care: Trends & insights for tomorrow	15-Nov-2023
5.	Himalayan Institute of Medical Sciences	Cadaveric Workshops on knee preservation and complex ligament repair	19-Nov-2023
6.	Himalayan Institute of Medical Sciences	Cadaveric Workshops on Shoulder arthroscopy	24-25-Nov-2023
7.	Himalayan Institute of Medical Sciences	Cadaveric Workshop on Spine Endoscopy	01-Dec-2023
8.	Himalayan Institute of Medical Sciences	Workshop on Basic Statistical Methods in Medical Research	19 -20 Jun-2023
9.	Himalayan Institute of Medical Sciences	Workshop on Women's Empowerment in Uttarakhand Through Science and Technology	29 March -30 March 2024
10.	Himalayan Institute of Medical Sciences	Research Methodology & Biostatistics	2-3 Feb 2024
11.	Himalayan Institute of Medical Sciences	ANNUAL INDIAN ORTHODONTIC CONFERENCE 2023 - HANDS ON WORKSHOP ON PRESURGICAL NASOALVEOLAR MOLDING	14-Sep-23
12.	Himalayan Institute of Medical Sciences	Basic Course in Medical Education	21-Aug-2023 to 23- Aug-2023
13.	Himalayan Institute of Medical Sciences	Curriculum Implementation Support Program (CISP-III) workshop	24-Aug-2023 to 25- Aug-2023
14.	Himalayan Institute of Medical Sciences	Basic Course in Medical Education	18-Sep- 2023 to 20-Sep-2023
15.	Himalayan Institute of Medical Sciences	Curriculum Implementation Support Program (CISP-III) workshop	21-Sep - 2023 to 22-Sep-2023
16.	Himalayan Institute of Medical Sciences	Basic Course in Medical Education	16-Jan - 2024 to 18-Jan-2024
17.	Himalayan Institute of Medical Sciences	Curriculum Implementation Support Program (CISP-III) workshop	19-Jan - 2024 to 20-Jan-2024
18.	Himalayan Institute of Medical Sciences	Newer Concepts in Surface and Environmental Disinfection	5-Dec-2023
19.	Himalayan Institute of Medical Sciences	Neonatal Transport: Comprehensive Concept	21-07-2023 to 21-07-2023
20.	Himalayan Institute of Medical Sciences	Pelvic Acetabular Fractures	09-Apr-2023
21.	Himalayan Institute of Medical Sciences	Knee Preservation	19-Nov-2023
22.	Himalayan Institute of Medical Sciences	ADVANCED DOSIMETRY STUDY IN IMRT , IGRTAND VMAT	25-Mar-2023

23.	Himalayan Institute of Medical Sciences	WORKSHOP ON BREAST CANCER AWARENESS	20-Oct-2023
24.	Himalayan Institute of Medical Sciences	WORKSHOP ON CANCER AWARENESS	8-Feb-2024
25.	Himalayan Institute of Medical Sciences	WORKSHOP ON CANCER AWARENESS AMONG CHILDREN	15-Feb-2024
26.	Himalayan Institute of Medical Sciences	A workshop on Open and laparoscopic knotting, suturing and dry vascular anastomosis was conducted by 'Johnson and Johnson Institute on wheels	07 to 08-Mar-2024
27.	Himalayan Institute of Medical Sciences	Handx device intended to facilitate repair and or removal of Organs and soft tissue during laparoscopic procedures through tissue manipulation and mobilization, i.e stitching and Grasping, Cutting and Coagulation using the Handx	18 to 19-Jul-2023
28.	Himalayan Institute of Medical Sciences	A workshop on Open and laparoscopic knotting, suturing was conducted by 'Johnson and Johnson Institute on wheels	31-May-2023 to 02-Jun-2023
29.	Himalayan Institute of Medical Sciences	Neonatal transport: Comprehensive concepts	21-Jul-2023
30.	Himalayan Institute of Medical Sciences	Advanced Neonatal Resuscitation workshop	19-Nov-2023
31.	Himalayan Institute of Medical Sciences	Pediatric Advanced life support (PALS)	24-25-Apr-2023
32.	Himalayan Institute of Medical Sciences	Covid-19 Vaccination learnings for RI strengthening and orientation on MRelimination, VPD & AEFI surveillance	07-May-2024
33.	Himalayan College of Nursing	Strategies for Effective Clinical Teaching	28-Aug-2023
34.	Himalayan College of Nursing	Leadership for Change Program - Capacity Building for Future Nurses	11-May-2023
35.	Himalayan School of Yoga Sciences	KINSEOLOGY	04-Nov-2023
36.	Himalayan School of Management Studies	Business Simulation	11-Dec-2023
37.	Himalayan School of Science & Technology	Virtual Labs Workshop by IIT Delhi	18-Oct-2023

## *Infrastructure Development*

### **Infrastructure and Learning Resources**

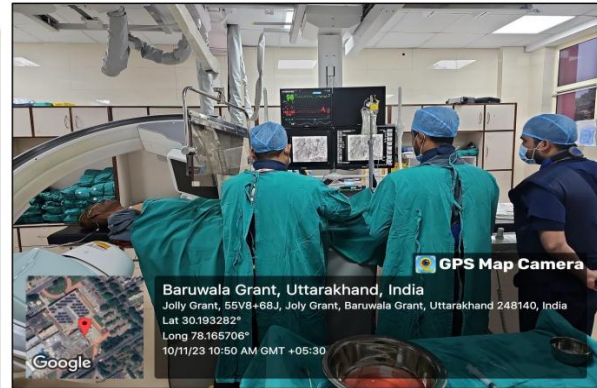

SRHU hosts a 1200-bed super-specialty teaching hospital, including 960 NABH-accredited teaching beds, along with AYUSH therapy centers and NABL-accredited central diagnostic laboratories. Equipped with advanced automated diagnostic systems and a pneumatic shoot network, these facilities offer high-tech diagnostic services, research opportunities, and comprehensive training for students. State-of-the-art diagnostic capabilities include a 1.5 Tesla MRI, 128-slice Spiral CT scan, PET scan, Gamma Camera, advanced ultrasound systems, mammography, echography, cardiac cath labs, neurology and sleep labs, and endoscopic labs, providing hands-on experience for medical and paramedical students. The dedicated Cancer Centre offers comprehensive care, including radiotherapy and bone marrow transplants, while the Dialysis Center supports renal transplants. Unique to the region, the Cadaveric Lab offers hands-on learning with advanced simulation technology. The Skill and Simulation Center of Excellence (SSCE), the first of its kind in Uttarakhand, delivers immersive healthcare education through cutting-edge simulation training. Modern learning infrastructure includes fully ICT-enabled classrooms, seminar halls, museums, and advanced laboratories. Engineering and management colleges feature specialized computer labs equipped with software for communication, language learning, data analysis, accounting (TALLY), business simulation, and audio/speech therapy, ensuring students gain a comprehensive, modern educational experience.

The University's library services, spread across various faculty library centers, provide an extensive collection of books and journals to support research and academic endeavors.

9 INDUSTRY, INNOVATION  
AND INFRASTRUCTURE

## 1. State of Art Facilities

**Innovative Services:** The Advanced Neonatal Transport Ambulance services, developed by the Neonatology department of Himalayan Institute of Medical Sciences addresses the health challenges of newborn babies and ensures proper treatment and care during transportation. It is an innovative initiative which can act as a role model for other institutions and is also a boon for postgraduates of Paediatrics and Neonatology towards enhancing their clinical skills.

**Diagnostic and Therapeutic Facilities:** The hospital provides a wide range of diagnostic and therapeutic services, such as 1.5 Tesla MRI, 128 slice CT scan, Hi-tech ultrasounds, Bone densitometry, Mammography, NCV Lab, EMG, BERA, Colour Doppler, TMT, Holter, ECHO, Endoscopy, Bronchoscopy, Cardiography, PFT, Angiography, Cath Lab, Sleep Lab, Blood Bank, Hemo & Peritoneal Dialysis, Bone Marrow Transplant facilities, Radiotherapy, Gamma Camera, Brachytherapy, PET CT scan, Bone & Renal scan in Nuclear medicine unit which enhance the students' diagnostic and therapeutic skills.

## 2. Digital Infrastructure

University maintains two data centers, one as main data center and another as disaster recovery data center, which have 14 physical and 32 virtual servers. Internet Bandwidth–BSNL NKN OFC Link for 1Gbps and JIO OFC Link upgraded from 500Mbps to 1 Gbps. Currently over 1220 desktops are available. Desktop in engineering student computer labs were upgraded from i3 to i5/i7 with 16 GB RAM and 512GB/1TB SSD in 2023 and Window 10 to Window 11. All labs have internet facility through LAN for students. The University maintains 2 firewalls, updated time to time. Cyberoam firewall is running since 2018, upgraded to Sophos 310 in 2020, and subsequently upgraded to XGS 3300 in Oct 2023. The University provides wireless network in selected areas for which 50 Access Points are installed. All IT infrastructure has 24\*7 UPS backup system. Airtel FTTH (Fiber-to-the Home) service is available in staff residential areas. LCD projectors with Internet facility are available in classrooms, Lab, conference rooms, and seminar halls. Enterprise level application Akhil Miracle HIS, JUNO ERP & LMS, NoPaperForms, Sage HRMS, Turnitin are available in University. Microsoft DreamSpark, Adobe creative cloud, d space, Faculty/Curriculum Feedback, KOHA Library Management System(Open Source), Google Workspace for Education for mailing service, SMS Service and others also exist for academic purposes.

### ICT-Enabled Learning Environment at SRHU

Faculty at SRHU leverage a wide range of ICT (Information and Communication Technology) tools and online resources to enhance teaching and learning experiences. Equipped with multimedia presentations, LCD projectors, learning management systems (LMS), virtual classrooms, and smartboards, all classrooms are 100% ICT-enabled. The campus is fully connected with Wi-Fi and broadband internet, complemented by video conferencing capabilities in the E-Learning Resource Lab.

Key ICT-enabled tools and e-resources include:

- 1. Integrated Digital Teaching Device (IDTE) & E-Content Development:** The University's E-Content Development Cell utilizes advanced digital teaching technologies to produce high-quality learning content. Faculty members receive regular training to create e-resources, contributing to a comprehensive repository of lecture materials accessible to students anytime.
- 2. INFLIBNET LMS (ILMS) & E-Resource Accessibility:** With an MoU established with INFLIBNET LMS, teachers generate and upload diverse course content, video lectures, and study materials across disciplines. Students access research materials and multimedia content, including e-PG Pathshala, enriching their learning experience.
- 3. Multimedia Presentations for Enhanced Engagement:** Faculty utilize interactive presentations, videos, and dynamic content to captivate student attention and foster deeper understanding of complex topics.
- 4. Central E-Library Resources:** The university's Central Library offers advanced e-library resources, including EBSCO, with access to 8002 e-books and 7004 e-journals. Students and faculty benefit from scholarly literature from esteemed publishers like Elsevier, Walters Kluwer, BMJ Publishing, and more. These resources encourage independent research and broaden learners' academic horizons.
- 5. SWAYAM NPTEL Local Chapter for MOOC Enrollment:** Students can enroll in Massive Open Online Courses (MOOCs) through the SWAYAM NPTEL Local Chapter, acquiring skills and certifications that go beyond traditional classroom learning.
- 6. Flipped Classroom Model & Collaborative Learning:** Platforms such as Google Classroom, Google Meet, Microsoft Teams, and Zoom support the flipped classroom approach, where students engage with content at their pace. These tools also facilitate virtual collaboration, peer reviews, and interactive discussions, fostering an engaging and communicative learning environment.
