Practice and Medical
Ethics Training

5 Weeks Training Program

January 28 – February 26, 2026

Conducted By Department of
Clinical Research, HIMS, SRHU.

Sponsored By Department of
Health Research, ICMR MoHFW.

About the University

Swami Rama Himalayan University (NAAC A+) is a premier university in Uttarakhand, located at Jolly Grant, Dehradun. With over three decades of legacy and a sprawling 300-acre campus, the university encompasses a multispecialty Himalayan Hospital, Cancer Care and Research Centre, Ayurveda Centre, Rural Development Institute, and schools across major educational streams.

About HIMS

Himalayan Institute of Medical Sciences (HIMS), Uttarakhand's first medical college and pioneer in Ph.D. programs in medical sciences, offers a unique, learning-focused environment. Guided by highly competent faculty from top institutions in India and abroad, students benefit from excellent facilities and mentorship. With the 1200-bed Himalayan Hospital, the state's largest super-specialty postgraduate teaching hospital, and NABL-accredited laboratories equipped with the latest technology, HIMS provides extensive clinical and research opportunities across all specialties.

Programme Highlights

- The training provided comprehensive exposure to theoretical concepts along with extensive hands-on learning using real-world clinical trial scenarios and evidence.
- Participants gained practical experience through case studies, live examples, and data from real clinical research settings, leading to a clearer understanding of core principles relevant to their roles.
- Interactive and application-oriented sessions encouraged active participation, discussion, and peer learning.
- The programme strengthened technical skills, analytical thinking, and the ability to apply knowledge effectively in real-world clinical research environments.
- Overall, the training was highly beneficial and significantly contributed to capacity building through experiential and practice-based learning.
