ABOUT SRHU LIBRARY SYSTEM

The library services of Swami Rama Himalayan University (SRHU) are among the most comprehensive and well-established services offered by private universities in the country. These services are delivered through the Central Library, located at the Himalayan Institute of Medical Sciences, along with branch faculty libraries situated at the School of Management Studies, School of Science and Technology, College of Nursing, School of Yoga Sciences, and School of Biosciences. The Central Library serves as the principal information resource centre of the University and houses a collection of over 20,000 documents. Additionally, it subscribes to more than 150 print journals and provides access to over 3,300 electronic journals, supporting the academic and research needs of faculty members, researchers, and students.

ABOUT SWAMI RAMA HIMALAYAN UNIVERSITY (NAAC A+)

Swami Rama Himalayan University (SRHU), is a NAAC A+ accredited institution located at Jolly Grant, Dehradun, is a leading multidisciplinary private university in Uttarakhand dedicated to excellence in education, research, and healthcare. Inspired by the teachings of Swami Rama, the University blends modern education with values, ethics, and social responsibility.

SRHU offers a wide spectrum of programmes across medical and health sciences, nursing, management, science and technology, yoga sciences, biosciences, and allied disciplines. With state-of-the-art infrastructure, experienced faculty, advanced laboratories, and comprehensive library resources, the University provides a vibrant learning environment for students.

The Himalayan Institute of Medical Sciences serves as the University's teaching hospital, ensuring strong clinical training and community outreach. SRHU strives to develop skilled professionals, ethical leaders, and responsible citizens who contribute meaningfully to society and global development.

ABOUT CLIM (CENTRE FOR LIBRARY AND INFORMATION MANAGEMENT)

The Centre for Library and Information Management (CLIM) has been established with an aim to prepare quality human resources in the area of Library and Information Sciences (LIS) which is fast becoming an amalgamation of traditional library theories and latest information technology. CLIM aims to achieve excellence in the field of Library and Information Management. The centre offers Bachelor's and Master's in Library and Information Science. The programs are based on the practices and underlying theories of information acquisition, organisation, dissemination and utilization.

ABOUT THE FDP

The Faculty Development Programme (FDP) on EBSCO Business Source Elite, IEEE CSDL, and Scopus Searching Techniques, organized by the SRHU Library System in collaboration with the Centre for Library & Information Management (CLIM), aims to enhance research and information retrieval skills. The programme is designed for faculty members, research scholars, and postgraduate students of the School of Management Studies (SMS) and the School of Science and Technology (SST), focusing on effective search strategies, citation analysis, and research impact.
