ABOUT THE

CONFERENCE

The Himalayan College of Nursing, Swami Rama Himalayan University, Jolly Grant, Dehradun, is pleased to organize a two-day National Conference on “Strengthening Integrated Research Ecosystem: Ethics, Technology & Accountability,” exclusively designed for PG students, PhD Scholars and faculty members of nursing institutions across the country.

The conference aims to strengthen the knowledge base and professional competencies of educators and students by offering a comprehensive understanding to various dimensions of research and publication ethics. The key thematic areas include the concepts and principles of research ethics; informed consent in human research; research misconduct and ethical challenges across different types of research; ethics in digital and distal communication; data management and protection; cultural sensitivity in research; publication and peer-review ethics; ethical and safety protocols in research; the role of Institutional Research Committees; and research funding.

This conference will serve as a valuable platform for academic enrichment, professional development, and meaningful exchange of ideas among nursing professionals.
